Outlet prices for 120 Volt power include delivery of the service to one location at the rear of the booth in peninsula and in-line booths. If you require outlets in other locations, have lights or electrical items to hang or erect, or have other electrical requirements please see the Electrical Labor order form for rates and instructions.

Straight Time.....\$ 106.00 per hour
 Monday - Friday, 8:00 am - 3:30 pm
 (Excluding Holidays)

Overtime.....\$212.00 per hour
 Monday - Friday, 3:30 pm - 8:00 am
 All day Saturday, Sunday and Holidays

ADDITIONAL INFORMATION

- To honor discount prices we must receive your order with full payment prior to the deadline date along with a floor plan indicating the main power location and distribution points, if applicable. (see below)
- A scaled floor plan is required for orders with multiple outlet locations and/or island booths. Detailed examples are provided on reverse. If a power location in an island booth is not provided prior to show move-in, a location will be determined by Freeman in order to maintain delivery schedules. Relocation of the service will be charged on a time and material basis.
- Electricity is turned on 30 minutes prior to show opening and turned off 30 minutes after show closes on show days. Power will be turned off immediately after final show closing. If you require power outside actual show hours, special arrangements should be made in advance. Additional charges may apply.
- If an uninterrupted power supply is required for the full duration of the show, please order 24 hour power.
- If a dedicated circuit is required, please order 2000 watts/20 amps.
- Separate outlets should be ordered for each piece of equipment and/or each power location.
- A 50% refund will be applied to electrical services cancelled after installation. Refunds will not be issued for materials and/or labor charges related to the installation.
